## District Court at Mora

Judge Clarence J. Roberts announced this morning that he would hear this afternoon in chambers the cases of Mora and San Miguel counties against C. C. Catron of Santa Fe. The cases are for the collection of taxes on in the Mora grant and the amount involved is said to be in the neighborhood of \$40,000. —Tuesday's Las Vegas Optic.

## How it Happened

Next in order is tell how it happened. We find our solace in the scriptures "whom the Lord loveth he chasteneth." The chastisement has been severe. Yea, more vigorous than we feel we needed. With a Republican legislature, however, the state will be able to save itself the humiliation of a period of freak legislation. Let us rejoice in the fact that the Republican party of New Mexico is still at the helm of the legislative branch of our state government. —Santa Rosa Sun.

## SHE GAVE UP ALL HOPE

Physicians Failed To Help Mrs. Green, But She Finally Found Relief in Cardui.

Meetez, Va.—Mrs. J. C. Green of this place, says: "I suffered with womanly troubles so that I could hardly sit up. Two of the best doctors in our town treated me, and I tried different medicines, until I gave up all hope of ever getting well."

One day, I decided to try some Cardui. It did so much for me that I ordered some more, and it cured me! Today, I feel as well as I ever did in my life.

The pains and the trouble are all gone. I feel like another person in every way. I wish every sufferer could know what Cardui will do for sick women."

A few doses of Cardui at the right time, will save many a big doctor bill, by preventing serious sickness.

It tones up the nervous system, and helps make pale cheeks fresh and rosy. Thousands of weak women have been restored to health and happiness by using Cardui. Suppose you try it.

It may be just the medicine you need.

## Addition Subtraction Multiplication.

Add to your earning capacity a little each day, but subtract at least one-fourth of each dollar you earn and place it in a savings account. By so doing you multiply present contentment and future comfort by every deposit you make.

It is the duty of every man to provide for himself and family, both now and in the future. Health and contentment are two essentials in securing the best results from your labors, but so divide your income that a goodly portion will be applied to the fund which insures FUTURE comfort.
